A festive Easter-themed graphic. The words "EASTER DAY" are written in large, bold, yellow 3D letters. The letters are decorated with various Easter motifs: flowers, bees, and colorful Easter eggs. The background is white with scattered confetti in shades of blue, yellow, and grey. On the right side, there are several realistic-looking gold Easter eggs. The entire graphic is set against a white background that is part of a larger image with a red header and a blue border.
